Owner : The Public Authority for Applied Education & Training (PAAET)

Contractor : Bayan National Trading & Contracting Co.

Piling Contractor : Kuwait Bruckner Construction Cont. Co

Duration of Contract : 120 Days

#### **Scope of Works**

The following activities will form our scope:-

The East side stadium will require piles due to high loads on the soil. As such, a comprehensive model design was done and based on the design and preliminary piles testing program, 272 piles will form the foundation for the stadium. The piles will have two diameters, 700 & 900mm with a length of 12m.
